

BOUNTIFUL CITY'S FALL CLEANUP

Fall cleanup is October 10th thru October 14th, 2016. During that week city crews on your regular garbage pickup day will also remove trash and refuse which has been properly bundled, bagged or boxed. Limbs and trees must be cut, bundled and **tied with twine** in 5-foot lengths. Any bundles, bags or boxes must not exceed 50 lbs. Concrete and construction materials will not be picked up curb side. Items such as old furniture or appliances should be placed on the drive approach or park strip, not on the street or sidewalk. Please place your items out by 7:00 a.m. on your garbage day.

Also, to assist you in your cleanup, the landfill will not charge a fee to the residents of Bountiful during fall cleanup week or the following week so trash that does not comply with the above restriction can be disposed of at no charge. Landfill fees will still be in place for concrete and construction materials during the cleanup free weeks. We can no longer accept propane tanks or tires of any kind during clean up week or at the landfill.

COMPLIANCE TO THE SPECIAL CLEANUP REGULATIONS IS MANDATORY. TRASH THAT DOES NOT MEET THE ABOVE REGULATIONS NEEDS TO BE TAKEN TO THE LANDFILL BY THE PROPERTY OWNER.

This is a great chance to clean out your house and get rid of harmful chemicals, and at the same time help the environment. So bring in any of the following, with exception of any DEA controlled medications:

| | | | | |
|----------------|----------------------|------------------|------------------------|----------------------|
| Antifreeze | Flea powder | Laundry products | Photographic chemicals | Toilet bowl cleaners |
| Batteries | Floor waxes/cleaners | Mothballs | Radiator flushes | Waste motor oil |
| Car cleansers | Furniture polish | Oven cleaners | Rodent poison | Weed killers |
| De-greasers | Insecticides | Paints | Silver cleaners | Window cleaners |
| Drain cleaners | Lacquers | Paint thinners | Spot removers | Wood preservatives |

If you bring it in, we'll take it off your hands FREE, and properly dispose of it -- you'll be doing us a favor by keeping this material out of the landfill, and you'll be rid of old materials that need to be specially disposed.
